QUALITY POLICY

We are in the field of design, manufacture and supply of Electronic Ballasts, LED Drivers, LED lighting, Street lighting, Automation control cards and AC - DC / DC - DC Converters.

We are committed to enhance customer satisfaction by providing consistency in product quality, on-time delivery, and competitive pricing.

We achieve this through application of effective training and motivation of the employees' along with teamwork.

We are committed to fulfill applicable safety, health, environmental and legal requirements.

We shall strive to ensure product reliability by adopting Quality Management System based on ISO 9001:2015 international standard and continual improvement of the implemented QMS.

Mr. Manoj Bidkar

Managing Director
